SPONSORSHIP OPPORTUNITIES

Recreation N.B. | Loisirs N.-B. acts as a voice for the recreation and parks movement in the province while providing educational opportunities, developing resource materials, and building productive partnerships with like-minded organizations.

OUR PURPOSE

Recreation N.B. | Loisirs N.-B. provides Membership Excellence, and Professional Development, while focusing on Operational Effectiveness and our role as a champion, influencing decisions affecting the recreation sector. In turn, recreation professionals and partners create meaningful experiences to enhance the well-being of all individuals, communities, and our natural and built environments.

OUR FUTURE

Communities will recognize the value of recreation and leisure as an essential service contributing to a happy, healthy, New Brunswick

What is REC | CON?

REC | CON 2025 is Recreation NB | Loisirs N.-B.'s biennial conference, bringing together over 100 recreation professionals from across New Brunswick. Attendees represent diverse areas of the sector, including municipal recreation staff and management, facility operators, government personnel, not-for-profit organizations, researchers, students, and more!

This year's conference is a unique opportunity to connect and collaborate with folks from all corners of the field, gain valuable insight through knowledge-sharing sessions, discover the latest services, products, and tools to support recreation services and spaces.
